

The Heart Remembers © 2000 Tracy R. Comer

Bb **Gm**
It's nice to see you, it's been so long
EbM7 **F/A**
Oh, you say you were here yesterday
Gm **Dm** **Eb2** **F/A**
But I'm still glad to see your face, see your face again

Bb **Gm**
There may be times I can't recall your name
EbM7 **F/A**
But I know that you are friend or family
Gm **Dm** **Eb2** **F/A**
My heart remembers those closest to me, my heart remembers well
Cm7 **Bb/D** **Fsus**
I can sense the sadness that you feel
Bb **F/A** **Gm**
But I don't think it's truly justified
Eb2 **F/A** **Gm**
Underneath, it's still me here inside, still just me

Bb **Gm**
I may have lost a yesterday or two
EbM7 **F/A**
But I still have the moment to live in
Gm **Dm** **Eb2** **F/A**
And dreams and feelings still exist within, still exist within
Cm7 **Bb/D** **Fsus**
What is time, no one can really say
Bb **F/A** **Gm**
A rainbow to be cherished but not held
Eb2 **F/A** **Gm**
Maybe a bottomless wishing well, endless wishing well

Bb **Gm**
So don't be weighed down with thoughts of what I've lost
EbM7 **F/A**
There are traces left that I embrace
Gm **Dm** **Eb2** **F/A**
And love can never be erased, never be erased
Cm7 **Bb/D** **Fsus**
Life goes on without a chronicle
Bb **F/A** **Gm**
Changes are what everyone must face
Eb2 **F/A** **Gm**
Maybe sometimes they are signs of grace, gentle signs of grace
